OMB No. 2577-0226
(exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

The Wayne housing Authority will assist the state in the following strategies:

1. Increase cooperation among governmental entities, housing providers and the lending community; promote the participation of these groups in partnerships to produce affordable housing.
2. Increase education and training for public awareness of housing issues and responsibilities.
3. Address special housing need in two ways: increase partnerships between government agencies providing services to persons with special needs; provide outreach to simplify communications and build capacity for organizations that serve persons with special needs.

Unfortunately, the State of Nebraska Consolidated Plan is no specific as to Wayne. The Wayne Housing Authority anticipates no State CDBG funds. The State will work with us on an "as needed" basis.
